ANNEXURE - 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of the independent auditors' report of even date on the standalone financial statements of the Company for the year ended 31st March, 2017)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Wagend Infra Ventures Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1:

SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH, 2017

1. Corporate Information:

Wagend Infra Venture Limited ('the Company') was incorporated in India on 29th September, 1981. The equity shares of the Company are listed in India on the Bombay stock exchange (BSE Limited).

The Company is primarily engaged in the business of infrastructure projects, trading in securities.

2. Basis of Preparation of Financial Statements:

The financial statements of the company have been prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on a going concern basis. Pursuant to Section 133 of the Companies Act, 2013 and Rule 7 of the Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the Company will continue to apply the Accounting Standards notified under Section 211(3C) of the Companies Act, 1956; the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013.

All the assets and Liabilities have been classified as current or non-current as per the criteria set out in Schedule III to the Companies Act, 2013. The accounting policies, in all material respects, have been consistently applied by the Company and are consistent with those used in the previous year.

3. Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of financial statements, and the reported amount of revenues and expenses during the year. Actual results could differ from these estimates. On an ongoing basis, estimates are evaluated based on historical experience and on various other assumptions that are believed to be reasonable, the results of which forms the basis for making judgments about the carrying value of assets and liabilities. Actual results could differ from those estimates. Any revision to estimates or difference between the actual result and estimates are recognised in the period in which the results are known/ materialised.

4. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following are specific criteria on which revenue is recognized.

Interest income is recognized on the time proportion basis.

Dividend Income is recognized when the instrument/unit holders' right to receive payment is established by the balance sheet date.

5. Fixed Assets:

a) Tangible Assets:

Tangible Assets are stated at cost of acquisition and includes all direct and indirect cost incurred up to the date of acquisition and / or the asset is put to use, less accumulated depreciation and impairment losses, if any. Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

b) Intangible Assets:

An item is recognized as an intangible asset if it meets the definition of an intangible asset. However the company has not acquired any Intangible Assets.

c) Depreciation / Amortization:

Depreciation on fixed assets is provided on written down value basis over the useful life of the assets estimated by the management, in the manner prescribed in Schedule II of the Companies Act, 2013.

Depreciation on additions/disposals to the fixed assets during the year is provided on pro-rata basis from/to the date of such additions/disposals as the case may be.

The assets costing up to Rs.5,000/- are fully depreciated during the year of addition after retaining 5% as net residual value.

6. Provisions and Contingent Liabilities:

Provisions involving substantial degree of estimation in measurement are recognized at the balance sheet date when

- a) there is a present obligation as a result of past events.
- b) there is a probability that there will be an outflow of resources.
- c) the amount of obligation can be reliably estimated.

Contingent Liabilities are not recognized but are disclosed in the notes in case of:

- a) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.
- b) a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the company.

7. Investments:

Long Term Investments are valued at cost. Diminution in value if any, which is of a temporary nature, is not provided. However, the company has no Long Term Investments.

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. Current Investments are valued at lower of cost and fair value.

8. Inventories:

Inventories are valued at cost.

9. Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. Impairment loss, if any, is provided in the Profit and Loss Account to the extent of carrying amount of assets exceeds their estimated recoverable amount.

10. Employee Benefits:

As per management's view none of the current employees shall complete their term of service of five years, hence actuarial valuation of gratuity is not done.

11. Taxes on Income:

Current Tax represents the amount of Income Tax payable in respect of the taxable income for the reporting period as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities from timing differences between taxable income and accounting income for the year is accounted for using tax rates and laws that have been substantively enacted as on the balance sheet date. Deferred tax assets arising from timing differences are recognized to the extent there is virtual / reasonable certainty in their realization.

12. Cash Flow Statement:

Cash flow are reported using the indirect method, whereby profit / loss before extraordinary items and tax is adjusted for the effects of transactions of non – cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

13. Cash & Cash Equivalent:

Cash and cash equivalent includes cash on hand, and deposits maintained with banks which can be withdrawn by the company at any point of time.

14. Earnings per Share (EPS)

Basic EPS is computed by dividing the net profit for the year attributable to the Equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the equity shareholders by weighted average number of equity shares and dilutive potential equity shares outstanding during the year – end, except where the results would be anti-dilutive.
